School Uniform / Field Trips:

Oak Crest Private School does not have a school uniform, but all students are required to purchase and wear a \$25 school polo shirt on field trips. When the school participates in a field trip, parents are notified in writing. The costs for field trips are passed on to parents. A \$35 hoodie is offered as an optional item that children can wear on field trips and parents can order for themselves or their children if they like.

The Admissions Process

The first step in the admissions process is for a parent to visit the school for an introduction and tour. Following that, the child or children are scheduled for a trial and testing day at the school. Parents are required to submit the application form and the child's school records no later than the scheduled testing day. If the student qualifies for admission, the parents are notified no later than two weeks after the trial day.
